The above information is accurate and true to the best of my knowledge. I understand that massage therapy is not a substitute for medical attention or examination. I take responsibility for updating my practitioner to any physical, mental or emotional changes that occur with my health during my pregnancy. I agree that I am seeking massage voluntarily for treatment of mild discomfort due to pregnancy and/ or relaxation to me and my baby. Any other reason or intention I have for seeking massage during pregnancy I have discussed with my therapist; and I have disclosed all information that may relate.
